6. If you decline to register to vote, your decision will remain confidential. If you register to vote, the office at which you register will remain confidential.

IDENTIFICATION WHEN YOU VOTE

Pennsylvania law requires that registered voters who appear in person to vote for the first time in an election district after December 9, 2003, must present a form of identification. If you are voting for the first time in your county, and you intend to vote by absentee ballot, please include a copy of a form of identification with this voter registration mail application. Otherwise, you will be required by federal law to include a copy of a form of identification with your absentee ballot. (For information on the acceptable forms of identification and the exemptions to these identification requirements, please contact the voter registration commission in your county of resident.)
